Mrs. Simpson is one of the nicest people I know.

Dedication

It is an honor to be a DUO for Mrs. Simpson. She is amazing and has such an amazing heart. Everyday she makes me smile.

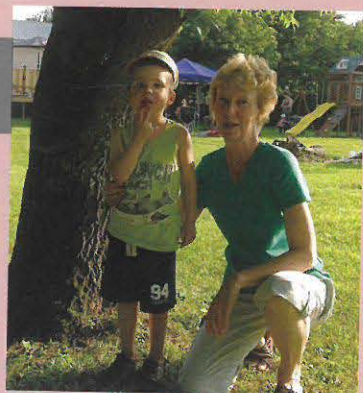

Delia Simpson

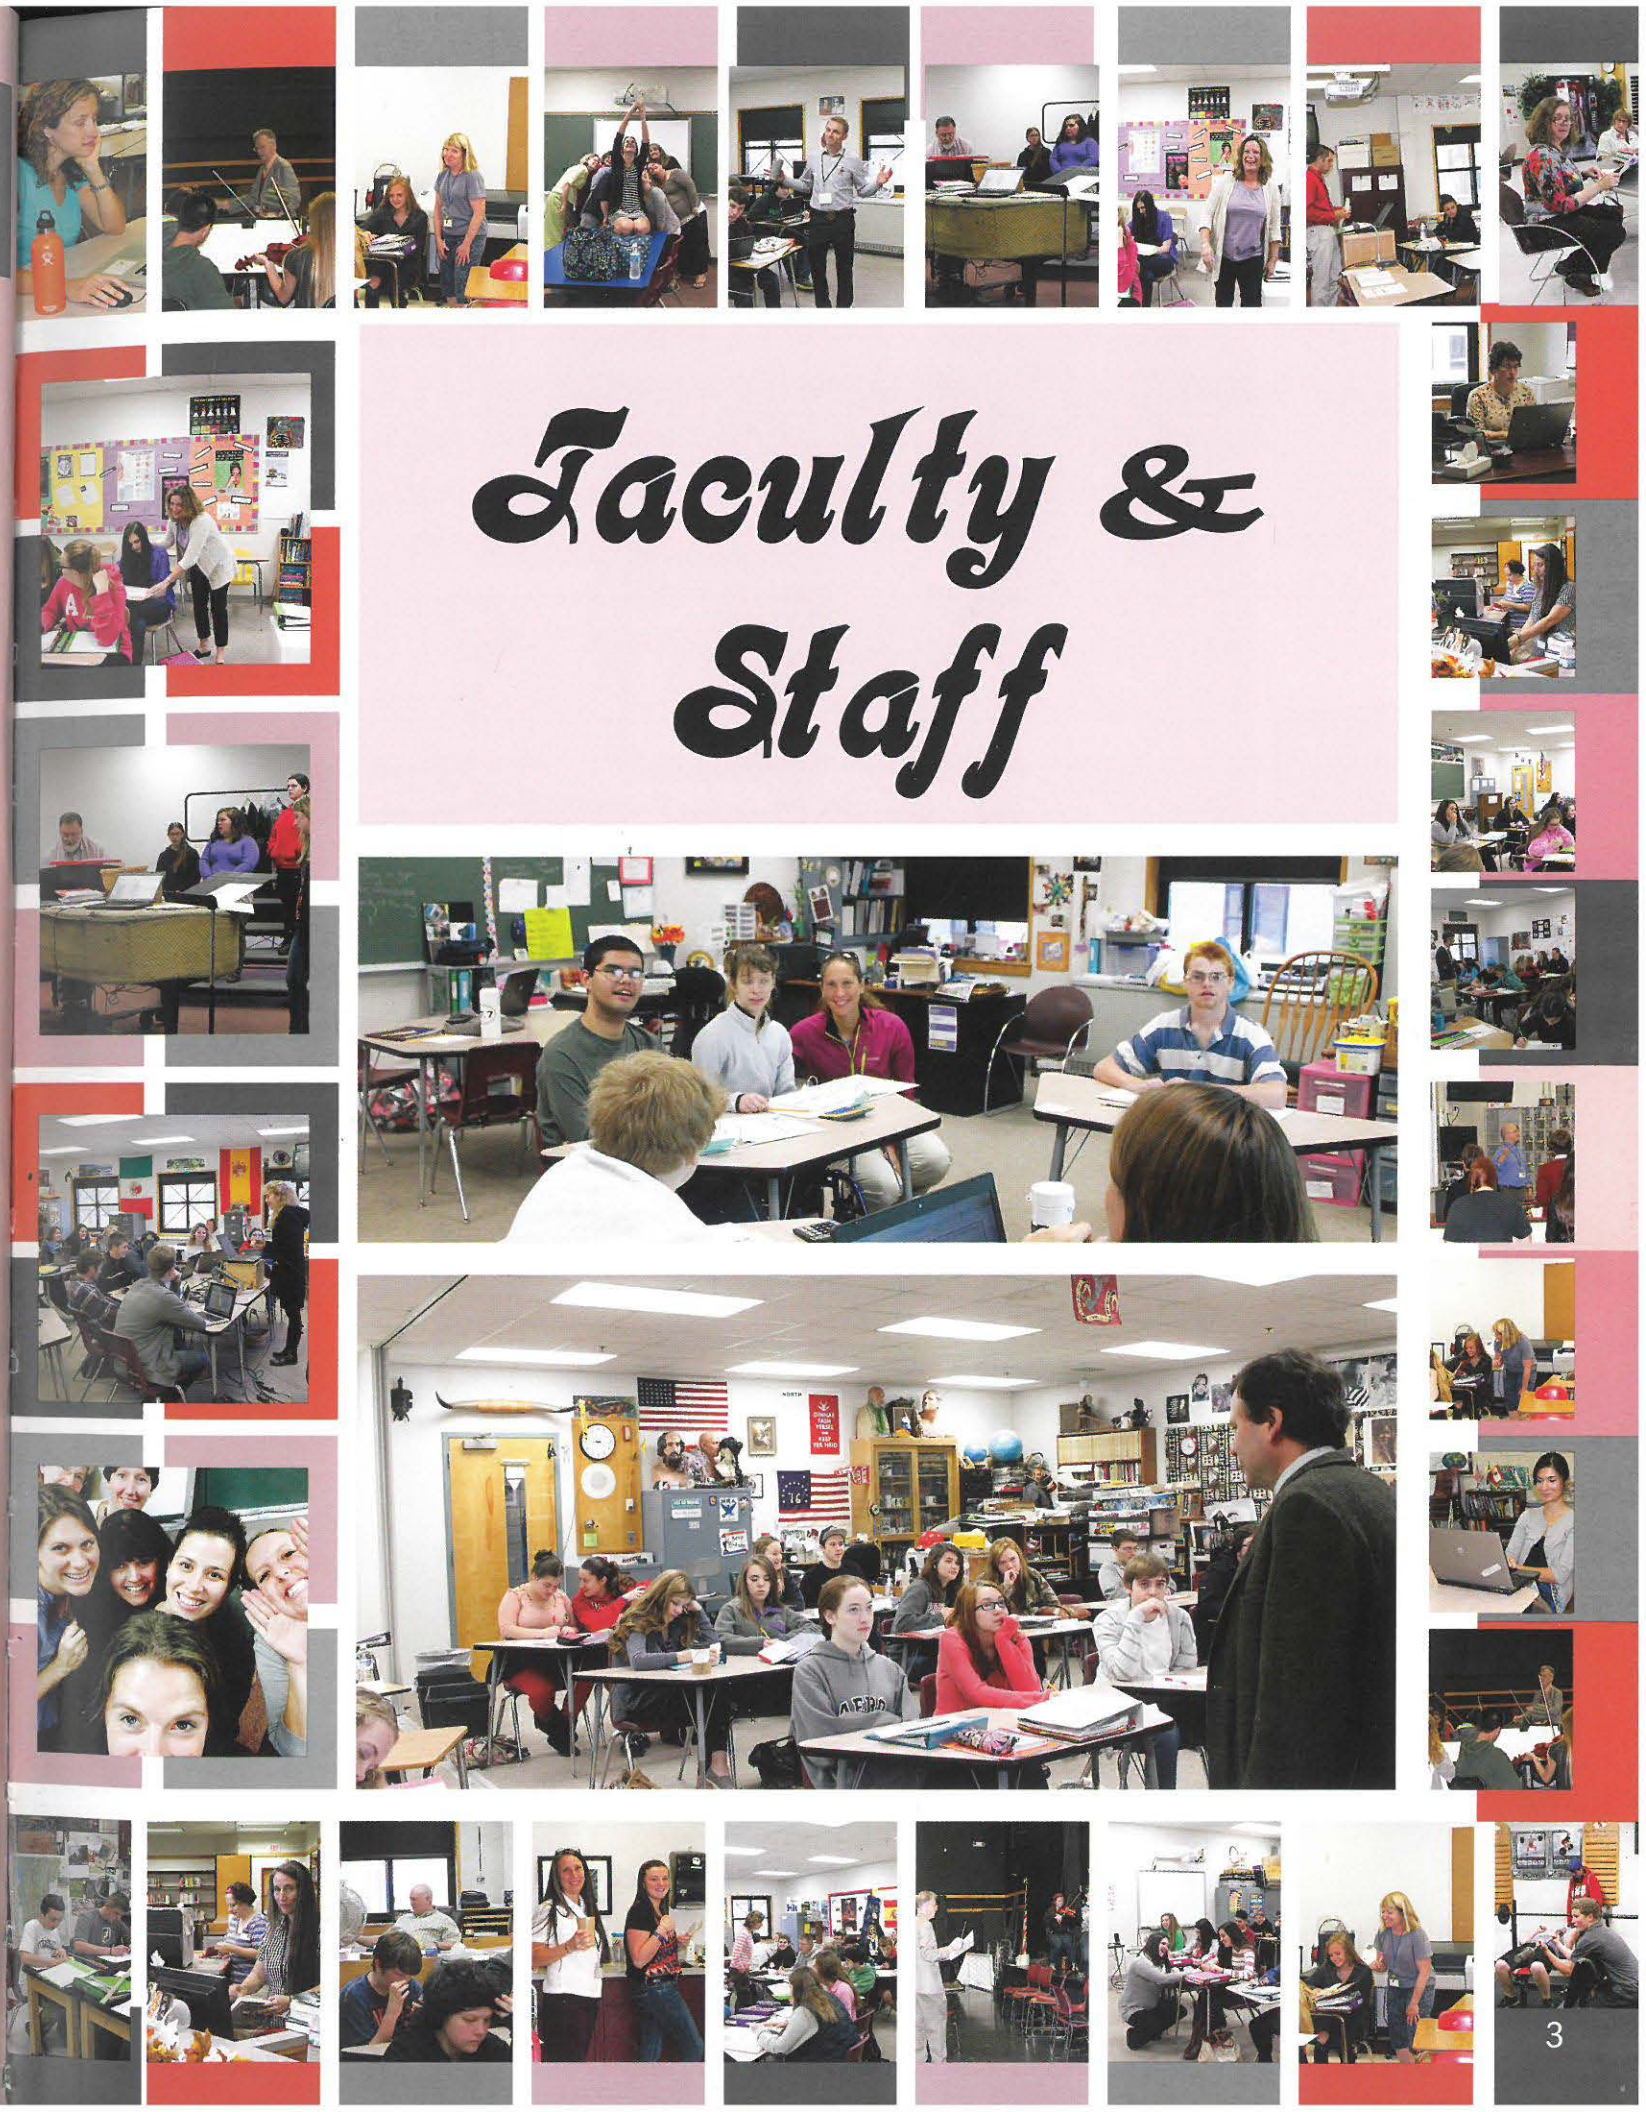

Mrs. Delia Simpson, our Attendance Secretary, has been working in the Rutland City Public School system since 2005 and at RHS since 2011. If you've ever been absent...you've met her! She has recorded your absence and sent you on your way. Those of you who have been tardy - she's watching you, too!

We're happy to have Mrs. Simpson on board at RHS. She is not only our AG (Attendance Guru), but is also the biggest NASCAR fan at RHS. She's been to the Daytona 500 and you can find her at Thunder Road every now and then.

Mrs. Simpson and her husband, Charlie, are frequent and skilled campers. They also enjoy some warm weather trips to Florida. But most of all, they are devoted grandparents to their grandson as well as proud parents of their two sons. If lost, you can always find Mrs. Simpson out in the garden or behind her Kindle. Everyone's best wishes to Mrs. Simpson.

Rutland High School Battles Bullying

Apple agreed to remove the app from the app store saying that they agreed with concerns from Rutland High School students. Many newspapers around the country covered the story. It was a real victory for students against bullying!

After an anonymous messaging app filled with negative comments about others took over RHS, students petitioned the creators of the After School app to take it off the app store. RHS launched a "Positive Post-it" campaign, in which small notes offering praise and encouragement to fellow students, teachers, administrators and staff were stuck to bulletin boards and windows around the school.

-Rutland High School students have gotten the message to "stand up for one another and push back against the bullying behavior."

-John Halligan

"I never downloaded the app, but I knew what was going on just from my friends. Everyone was talking about it."

- Eric Gokee

"It was a big wake up call to see so many people affected by it in a negativeway."
